Dear Ankur,

Delhi Tourism recently launched an extremely simple and user friendly mobile app - 'Dekho Meri Dilli'. The app contributes to the digital revolution in Delhi. Its tasteful architecture, technology, information delivery and user experience will surely be more appealing for people from all walks of life. The app is one step forward to 'Making Tourism an Enjoyable Experience in Delhi' as Delhi celebrates the 75th anniversary of India's Independence.

A special feature of the mobile app is the ease of online bookings to specific sites in Delhi like the Mughal Gardens etc.

'Dekho Meri Dilli' is available both at Google Play Store and Apple iStore and may be downloaded through the following QR codes.
