

circumstances of each case. The same principle should be followed in case of export of services"

4.4 Further, in Para 44 of the aforesaid Circular, it has been emphasized that the substantive benefits of zero rating may not be denied where it has been established that exports in terms of the relevant provisions have been made.

4.5 The above clarifications imply that as long as goods are actually exported or as the case may be, payment is realized in case of export of services, even if it is beyond the time frames as prescribed in sub-rule (1) of rule 96A, the benefit of zero-rated supplies cannot be denied to the concerned exporters. Accordingly, it is **clarified** that in such cases, on actual export of the goods or as the case may be, on realization of payment in case of export of services, the said exporters would be entitled to refund of unutilized input tax credit in terms of sub-section (3) of section 54 of the CGST Act, if otherwise admissible.

4.6 It is also **clarified** that in such cases subsequent to export of the goods or realization of payment in case of export of services, as the case may be, the said exporters would be entitled to claim refund of the integrated tax so paid earlier on account of goods not being exported, or as the case be, the payment not being realized for export of services, within the time frame prescribed in clause (a) or (b), as the case may be, of sub-rule (1) of rule 96A. It is further being **clarified** that no refund of the interest paid in compliance of sub-rule (1) of rule 96A shall be admissible.

4.7 It may further be noted that the refund application in the said scenario may be made under the category "Excess payment of tax". However, till the time the refund application cannot be filed under the category "Excess payment of tax" due to non-availability of the facility on the portal to file refund of IGST paid in compliance with the provisions of sub-rule (1) of rule 96A of CGST Rules as "Excess payment of tax", the applicant may file the refund application under the category "Any Other" on the portal.

Clarification regarding taxability of services provided by an office of an organisation in one State to the office of that organisation in another State, both being distinct persons.

Circular No. 199/11/2023-GST

Dated the 17th July, 2023

Various representations have been received seeking clarification on the taxability of activities performed by an office of an organisation in one State to the office of that organisation in another State, which are regarded as distinct persons under section 25 of Central Goods and Services Tax Act, 2017 (hereinafter referred to as 'the CGST Act'). The issues raised in the said representations have been examined and to ensure uniformity in the implementation of the law across the field formations, the Board, in exercise of its powers conferred under section 168(1) of the CGST Act hereby clarifies the issue in succeeding paras.

2. Let us consider a business entity which has Head Office (HO) located in State-1 and a branch offices (BOs) located in other States. The HO procures some input services e.g. security service for the entire organisation from a security agency (third party). HO also provides some other services on their own to branch offices (internally generated services).
