

- "k) **Realization of export proceeds in Indian Rupee:** Attention is invited to para A (v) Part-I of RBI Master Circular No. 14/2015-16 dated 01st July, 2015 (updated as on 05th November, 2015), which states that *"there is no restriction on invoicing of export contracts in Indian Rupees in terms of the Rules, Regulations, Notifications and Directions framed under the Foreign Exchange Management Act, 1999. Further, in terms of Para 2.52 of the Foreign Trade Policy (2015-2020), all export contracts and invoices shall be denominated either in freely convertible currency or Indian rupees but export proceeds shall be realized in freely convertible currency. However, export proceeds against specific exports may also be realized in rupees, provided it is through a freely convertible Vostro account of a non-resident bank situated in any country other than a member country of Asian Clearing Union (ACU) or Nepal or Bhutan"*.

Accordingly, it is **clarified** that the acceptance of LUT for supplies of goods to Nepal or Bhutan or SEZ developer or SEZ unit will be permissible irrespective of whether the payments are made in Indian currency or convertible foreign exchange as long as they are in accordance with the applicable RBI guidelines. It may also be noted that the supply of services to SEZ developer or SEZ unit under LUT will also be permissible on the same lines. The supply of services, however, to Nepal or Bhutan will be deemed to be export of services only if the payment for such services is received by the supplier in convertible foreign exchange.
